

**ETIQUETTE & RULES:** - Members are requested to observe the etiquette of golf and the rules governing play on the course at all times. It is the Member's responsibility to know the Rules of Golf.

**DRESS:** - Members are requested to take pride in their Club and maintain a reasonable dress standard in the Clubhouse and on the Course (including the practice fairway). Singlets are not permitted and neat dress tee-shirts are to be the minimum acceptable standard in the clubhouse. Thongs, ripple soled shoes, sneakers with wedged edges and heavy work boots are not permitted to be worn on the course (including the practice fairway) whilst playing golf. Shoes or spikes worn on the course are not to be worn in the Clubhouse except in locker rooms and spike bar.

**CLUB MEMBERSHIP:** -The enjoyment of golf depends a great deal on the co-operation, consideration and courtesy exhibited by fellow competitors. What is true of the game also applies to Club membership. The spirit and image of a golf club is projected by the way fellow members show respect, courtesy and consideration for one another and staff. This courtesy and consideration should extend to the choice of dress and generally in the standard of conduct on the course and in the clubhouse. The standard of a golf club may be judged by the etiquette of its members.

**GENERAL:** - The course staff is to be given right-of-way at all times when working on the course.

**SLOW PLAY:-** is the bane of all Golf Clubs. All members should consider how best to speed up their own play. The player on the lowest handicap must ensure that all players in his playing group play with expedition and that his playing group maintains its correct position in the field. This, however, does not relieve others in the playing group of their responsibility to avoid slow play and frustration to others.

**CALLING THROUGH:** - If you have lost a ball or are for any other reason unable to maintain your place in the field, do not hesitate to call the following players through. This is their right and should always be voluntarily and cheerfully given. If this right, when due, is not given after a reasonable opportunity has been given for doing so, it should be demanded in the traditional way by calling 'Fore' and then awaiting signal. It is a traditional rule that following players are called through if they are moving faster than you. They should always be called if the preceding players are more than a fairway ahead. **\*3 minutes is the maximum time to look for a lost golf ball.**

**COMPLAINTS:** - All complaints shall be directed in writing to the Secretary of the Club, for consideration by the General Committee. No employee of the Club can be directly reprimanded by an individual Member.

**BUNKERS:-** Players must not walk up the face of a bunker and should always leave a bunker by the way they entered it. Smooth out footmarks with rakes provided and replace the rake in bunker.

**LOCAL RULES:** - Refer to the local rule board for any additional or altered local rules.

**CONDITIONS OF PLAY:** - To be eligible for competition, members must be financial and have a current handicap. All guests and visitors shall have a recognised handicap to be eligible to play in any club competition. For all competitions, entrants who do not hold a valid golflink handicap from a Golf club will be required to pay 1/2 green fees plus the daily competition fee entered in. For clarity a Virtual, social or similar entity that provides a golflink handicap to members will be required to pay 1/2 green fees plus competition fee.
